LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference in this matter is scheduled for March 26, 2020;

WHEREAS, no significant issues were raised in the parties' joint letter or proposed case management plan; it is hereby

ORDERED that the March 26, 2020, initial pretrial conference is **CANCELLED**. If the parties believe that a conference would nevertheless be useful, they should inform the court immediately so the conference can be reinstated. It is further

ORDERED that discovery, including the proposed jurisdictional discovery, will proceed. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. The parties shall file any proposed protective or other discovery-related orders on ECF. It is further

ORDERED that a pre-motion conference regarding Defendants' proposed motion to dismiss will occur on **May 7, 2020, at 10:40 a.m.** The conference will be telephonic. The time of the conference is approximate, but the parties shall be ready to proceed by that time. The Court will call the parties once the conference is ready to begin. It is further

ORDERED that, by **May 6, 2020**, the parties shall file a joint letter, providing the court

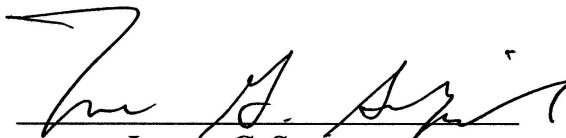

with one telephone call-in number for a conference call, and if necessary a passcode. The parties shall ensure they are all dialed into the conference call by the appointed conference time. If the parties are not able to arrange a conference call, they shall contact the Courtroom Deputy, Mr. James Street, at 212-805-4553, as soon as possible and no later than **May 6, 2020, at noon**, to make other arrangements. It is further

ORDERED that, by **March 27, 2020**, Defendants shall file a letter with any legal and factual support for the contention that venue is improper, including legal authority in this Circuit regarding where the events are deemed to have occurred for venue purposes in trademark infringement cases. Plaintiff shall file any letter response by **April 2, 2020**. It is further

ORDERED, regarding settlement discussions, if and when the parties are ready to proceed with a settlement conference with the assigned Magistrate Judge or mediation in the Court's mediation program, they shall file a joint letter on ECF requesting a referral.

The parties should be aware that the Court does not extend the deadlines for fact and expert discovery absent compelling circumstances.
